

## What You Can Do to Oppose the Power Line

### **Get Informed and Inform Your Community:**

- Go online to [www.WhoseDominion.org](http://www.WhoseDominion.org) and:
    - Sign up for power line email alerts
    - Sign the online petition
    - Get everyone you know to sign up for alerts and sign the online petition
    - Make a tax-deductible online donation to the Power Line Campaign. Or send donations marked "Power Line" to PEC at: PO Box 460 Warrenton, Va 20188
  - Volunteer to take the petition door to door in your community
  - Post flyers and maps in local hot spots
  - Distribute information to your community
  - \*Pick up & distribute t-shirts, yard signs, and bumper stickers
  - \*Organize a community meeting to provide neighbors with a more detailed briefing. We can provide experts and help you prepare.
- \* Email [stopheline@pecva.org](mailto:stopheline@pecva.org) for more information.

### **Help Us With Your Skills, Your Contacts:**

- Help mobilize local lawyers/lobbyists/consultants/engineers to work with our legal team and engineers to fight this line. Email [stopheline@pecva.org](mailto:stopheline@pecva.org) with contact information or call the contact with PEC's information.
- Do you have contact with reporters, journalists, editors, TV producers? Tell them about the Power Line proposal.
- Do you have other contacts in government or industry who might be helpful? Tell them about the Power Line proposal and ask them to contact us at [stopheline@pecva.org](mailto:stopheline@pecva.org) .

### **Take Direct Action With Dominion:**

- \*\*Call or email Dominion to let them know how you feel (804-819-2960 or [Powerline@dom.com](mailto:Powerline@dom.com) )
- \*\*Send letters to your local and state representatives thanking them for their concern but insisting that they intervene immediately to forestall action by DOE because of the real threat to property values and the local economy.
- \*\*Send letters to Secretary Bodman asking him to respect local, state and federal policy and public-private partnership and remove the Virginia Piedmont from any corridor designation.

\*\*Contact information on reverse and at [www.WhoseDominion.org](http://www.WhoseDominion.org)

### **Take Direct Action to Reduce Peak Energy Demand:**

- Change your light bulbs to compact fluorescent
- Switch to energy efficient appliances
- Visit [www.PowerScorecard.org](http://www.PowerScorecard.org) and [www.energystar.gov](http://www.energystar.gov) for a comprehensive list of ways to conserve energy in your home.

**Please Contact Your Representatives & Encourage Them to Oppose (or  
continue opposing) This Power Line and NIET Corridor Request**
